

Host of Hostel

URGENT

Do you want to use your gifts in hospitality and encouragement to make Christian workers feel home in a hostel so they can stay and rest?

We have an opportunity for **hosts of hostel**

The main purpose is:

To make people feel at home when they are here and to care for them allowing them to have the rest that they need.

As a host your role is:

- To make sure rooms are ready for people to stay in.
- To wash the bedding and make sure the rooms are clean for the next guest. There are people who do the cooking and help with the cleaning. The cook is here till 4pm and will prepare the evening meal for you or if you like to cook then you can cook the evening meal yourself.
- To take the bookings, answer people's questions and to be here if there is a need to pray and give encouragement.
- To oversee the workers and arrange for any shopping to be done.

We are looking for someone who:

- Has a heart to support Christian workers by the gifts in hospital and encouragement.
- Is adventurous and flexible.
- Has a heart for mission, Muslims and unreached people.

It would be best if the responsibilities could be shared by a couple, but one person can manage. They will need to have good English and a little bit of Urdu would be helpful, but is not necessary.

The hostel is used by Christian workers to stay and rest. People come here who need R&R or business in the city. It is a place for rest for those in the country and in neighbouring countries.
